PERSONALS

Mrs. Dick Varnell, of Jackson, stopped off Friday on her return from a visit at Athens, Ala.

James Haynes and J. C. Mullins, from the Chewalla section, were in town Saturday on business.

James Kirby, of Pauls Valley, Okla., came back Saturday and spent Monday in Selmer with his old friends.

Eq. J. E. Barham was an early caller Monday morning and opened up our shiny box for the day.

W. O. Wallace, from near Ramer, called Monday and left a sample of lynch beans which are in their prime, and a most tender variety, with large luxuriant pods for snaps.

Mr. and Mrs. M. F. Minton, from near Pocahtontas, were here Wednesday, and spent a day or so afterwards with their daughter, Mrs. Graham, near Ramer.

Dr. and Mrs. Wickwire, who have been here during the past two seasons, left Tuesday for Birmingham, where the doctor will enter the Alabama tick eradication work. These people made many friends in our county, and all regretted to see them leave, and particularly the guests of Gooch Hotel.

Rev. W. R. Farrow, of Covington, began a series of sermons at the Baptist church Sunday, and the meeting is still in progress. The results of the meeting are in the future. He is an able speaker and a forceful advocate of some rather new theological ideas.

R. H. Hill was a very interesting visitor Monday. He has recently returned from an extensive visit to Western Texas, and gave us some practical thoughts on why those who prosper there succeed, and why so many fail. He sent the Independent to his step-son J. L. Barnes at Memphis, Texas, who left here ten years ago with a grip, and is now worth \$40,000. Cattle and land investments were his cards.

We have just received a car load of the Famous Weber Wagons. If you need a wagon call and inspect our line and get terms and prices. Goodrum & Stiles, Selmer, Tenn.

Frightful Accident

Last Saturday at A. C. Wilson's saw mill near Guys, Geo. Sharp, aged 18 years, was caught in a belt, and had an arm literally torn from his shoulder. At last accounts it was thought he would survive. Corinth surgeons attended him.

Card of Thanks

We wish to thank the people of Selmer and surrounding country for their kindness to us in the sickness and death of our dear husband and father.

Wishing each of you prosperity here and a bright, rich reward hereafter.

DRUGGIST GIVES MONEY BACK

Dodson's Liver Tonic Gets a Four Square Guarantee from B. L. Browder's Drug Store.

When an article is sold by a druggist who is willing to give it his personal guarantee, it's a mighty strong proof of real merit.

That's exactly the case with Dodson's Liver Tonic. It is a pleasant-tasting, vegetable remedy for a slow and sluggish liver. Since Dodson's Liver Tonic came on the market the sale of calomel has gone "way down." The reason is simply this: Dodson's Liver Tonic is safe and harmless and guaranteed to be satisfactory—Calomel is often uncertain, sometimes dangerous, and no druggist wants to guarantee that it won't knock you out of a day's work and maybe send you to bed.

R. L. Browder sells Dodson's Liver Tonic and guarantees it. For you and your children, it's a good thing to keep a bottle always in the house.

R. L. Browder will give you your money back if you think Dodson's Liver Tonic is not worth the price. "Keep your liver working and your liver will not keep you from working," is good advice to go by.

SAND BOX

The great show is over; the Baptist meeting is on, and the Fair comes next week. The weather has been fine for several days for cotton picking. The little hookworm may rest easy in the boys' stomach, as the county court, being humane, does not propose to disturb him. J. W. Prather and J. W. Purvance went to Gravelhill Sunday to attend a Sunday school rally. The rally was of the small order, but a pleasant day was spent. Quite a number of our people attended the Corinth fair Wednesday. If preachers get up a few more new cut roads to glory the old path which our fathers trod will become entirely obscured. Mrs. Webb Lutteral bought last week from I. W. Purvance a small farm on the headwaters of Crooked creek, paying \$1,100 cash. It will be remembered her husband was killed a few months ago in the Bemis Mills explosion. Work on J. A. Houston's residence is progressing rapidly. The show Tuesday was the best exhibition we ever attended. Everybody was delighted with everything that happened that day, and we all went and took the kids. That Chicago degenerate who claims some fifteen murders, for money, proposes to die game as the greatest murderer on earth. Next week the third scene by the Tennessee legislature will be staged. Pistols and coffee are being requisitioned. Mrs. Fanny Gooch and Mrs. Moselle Hamilton and little girl visited Corinth Wednesday. The official winners' report for this county to Sept. 25 of 1913 crop shows 390 bales. To same time last year 5 bales. The cook stove is a better Hymenial route than via the tango. It is only the smell of Taumany that purified the rottenness of that old fraud Sulzer. The Selmer postoffice still hangs fire. Better drop the matter and let U. S. do the stamp act. There was no time to resolve Monday, on law enforcement, but it is expected that W. K. Abernathy will continue to represent an always-law-abiding county. Read Gish's classical advertisement and get a new suit and spend all next week at the Fair. It will be the last fair this year.

Thousands of other families have been equally benefited and depend entirely upon Dr. King's New Discovery to cure their coughs, colds, throat and lung troubles. Every dose helps. The McNairy County Fair

By VESSIE CAROTHERS
Member of the Selmer High School

The McNairy County Fair Association is planning to have its fifth annual meeting at the thriving little city of Selmer, Tenn., which is situated in the center of McNairy county.

Here is a brief description of Selmer: It is healthfully located, and has an electric light plant, concrete walks up main street, eight brick stores, two banks, three hotels, two telephone offices, two livery stables, one jewelry store, one dental office, five doctors, four churches, and one large school building with four talented literary teachers, and an excellent music teacher, a determined and interested domestic science teacher. All these teachers will give you a hearty welcome, and a living host of private citizens.

There will be only four days of this fair: Oct. 14th, 15th, 16th, 17th, 1913; and it is to be hoped that everyone who attends this fair will have the most pleasant time of his life.

First, what is a fair? and what is a fair for? Our fair is a county institution, and the aim of the management is to furnish these annual attractions so that our people will be materially benefited and at the same time spend four days of pleasure. We expect to have daily programs in the arena, in racing and all departments; you will be pleased. There will be numerous free attractions each day.

The fair grounds is situated but a short distance from the railroad, and there is a nice, commodious grandstand and a large, oval-shaped race track.

There will be daily horse racing and mule racing and numerous other attractions. The row of stalls will be filled with all the well bred stock; such as horses, mules, sheep, hogs and cattle. These thoroughbreds will show you who of our McNairy county farmers are on the road to success.

There will also be a display of the products of the soil; such as rye, wheat, oats, and pumpkins. It will be quite interesting to see who has put forth the greatest efforts to grow the largest and finest vegetables and farm products, and by coming it will be an inspiration to you to put forth stronger efforts to improve your way of farming.

Next we will have the poultry department, which will show to you what the farmers' wives and daughters are doing and who is raising the best fowls; such as the Buff Chocinas, Leghorns, Plymouth Rocks, and many others.

Best of all comes the large floral hall, which is a beautiful display of the ladies' and misses' and children's work. The first floor is set apart for the children's exhibits; such as needlework and fancy work and all kinds of crocheting, and embroidery. Second floor for canned fruits and vegetables, jellies, pickles, preserves. Third floor for the magnificent display of cakes and candies and pies. Fourth floor for corn-bread, loaf-bread, biscuits—and you may rest assured you will be hungry after looking at such edibles. The fifth floor is the department for the oldest articles of our great, great grand fathers and mothers; such as quilts and counterpanes and dresses. There we are likely to see our future styles.

We will have brass band music. Come and spend a day or two at the fair and help us make it a success. Many free attractions, and the kind that never fail to please the old, and the young as well, will be had each day. All are urged to attend and enjoy the entire week. Come, help us to put McNairy county in the front rank as one of the best counties of the state.

But one thing more I wish to say; please remember when you come to the McNairy County fair, that one and all will get a pleasant smile, and a kind word, and a warm reception from J. T. Robinson and all his band of school boys and girls. You can't afford not to know us. Come; you'll never regret it.
